KINGMAN *FIRST* ROBOTICS TEAM 60  
PO Box 6492  
Kingman, AZ 86402

Mentors:  
Celeste Lucier KAOL—(928) 377-8586  
George Williams - (928) 279 - 3824  
Steve Lund KHS—692-6480  
Amanda Runkle—Lee Williams 718-6000

Kingman High School has been involved with F.I.R.S.T. Robotics since 1996. They have successfully competed against High Schools from larger populated areas, placing in the top 10 in the WORLD during the past 10 years. We have placed in the top 3 in the world in the past 5 years. In the last few years Kingman High School has welcomed students from Kingman Academy of Learning, home schooled students and this year the Virtual K-12 and Lee Williams High School into their realm, thus becoming a community team...

### **KINGMAN *FIRST* ROBOTICS Team 60.**

The F.I.R.S.T. (Foundation for Inspiration & Recognition in Science & Technology) Robotics Competition is a world-wide event with over 30 regional competitions comprising of over 3,000 teams. It is multi-faceted with extreme time constraints. The students are given a game and a box of parts and have **6 weeks** to design, build and ship their robot for their first competition.

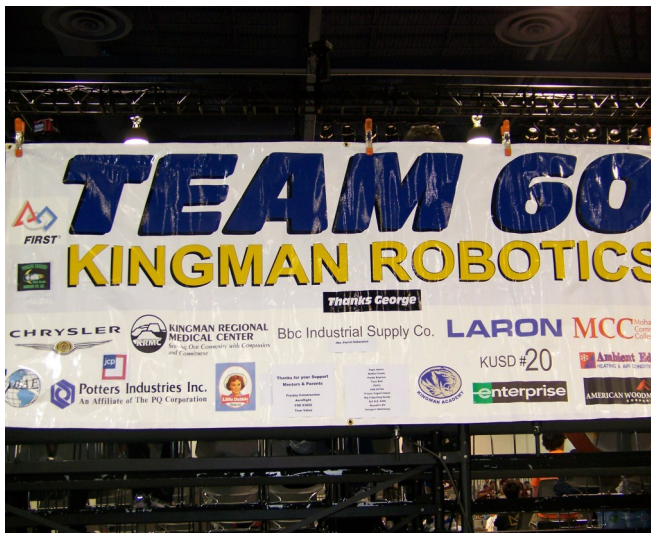

### **GIVE YOUR TAX CREDIT DONATION**

of up to \$200 for individuals and \$400 for married filing a joint return) to help the team build and compete in the F.I.R.S.T. Robotics Competition. Team 60 relies on your generous support to continue to provide this opportunity to our youth. WE WELCOME PARTICIPATION FROM COMMUNITY MEMBERS AND GLADLY INVITE VISITORS TO OUR SHOP.

## **BRINGING SCIENCE & TECHNOLOGY TO THE YOUTH OF KINGMAN ARIZONA**

## **How Can You Help?**

You can be an integral part of the Kingman Robotics Team 60 family! We are privately funded. Personal And private business donations keep our team operational. Help us provide this great opportunity for our kids! If you are Interested in

sponsoring our team on a business level please contact one of our lead mentors listed to set up a presentation or you may send your donations to the P.O. Box listed.

## **TAX CREDIT DONATION**

The team needs \$6,000.00 to enter the first regional competition and obtain the Kit of Parts, in addition to \$5,000 to be able to enter the National Competition. These fees only cover the entry fees and do not include travel and/or any additional building materials that are needed. Your donation of up to \$400 will be refunded by the state with your Arizona State Taxes. By making this tax credit donation, your money can go to a local student from Kingman, instead of a general state fund. Which would you rather have? Since you will be refunded the total amount donated, it is as if you are not out any money at all! You just get to control how the money is applied!

**What better donation program could you have?**
